

Patshull is here

### **Directions to Patshull from M54 Junction 3**

- Exit M54 taking the A41 towards Wolverhampton (follow signs for RAF Cosford and museum.)
- Follow this road down to a set of traffic lights and go straight on (petrol station on the left)
- Take the next turn on the right onto Newport Road and follow this – passing a garden centre on the left and going underneath a railway bridge. This take you towards Albrighton village.
- Take the 3<sup>rd</sup> turn on the right – onto Bowling Green Lane
- Follow this until you reach a small island and turn left onto Elm Lane.
- Follow this to the end when you have to give way at a mini-island. Go straight across onto Patshull Road
- Again follow this all the way to the end when you reach the A464 Hollyhead Road.
- Turn left and then immediately right onto Patshull Lane
- Follow this road until you reach a point where the road itself takes a sharp right turn. There is a turn to the left with a dead end sign and a gate entrance straight on. You will need to turn left into the road with the dead end sign.
- Now follow this narrow road. It takes a sharp right and then sweeps round along the side of a golf course. It will then go over a small bridge and you go through a gate (this should be open.)
- Keep following this track – mind the speed bumps and large pot holes.
- Keep following – you will go around a corner to the right, pass a cottage on the left and then reach a fork in the track – take the track to the left.
- Follow this until you pass a field on the left – there is a flag pole by another fork in the track.
- Follow the track to the left, drop down the hill and to the car park area.
